## **NEWS FLASH AND SAILING SCHEDULE OCTOBER**

### **2024**

Dear Customer,

Kindly note that ocean carriers have indicated that strikes can be expected at the U.S. East Coast and Mexican Gulf and that in the event of a strike an **Emergency Surcharge** will be applicable. Furthermore any strike will result in significant delays and this could result in extra costs which can also apply to cargo already booked with rates agreed and cargo currently en-route.

Please be aware that the **BMSB season for Australia and New Zealand** started with ETS 01/09/2024 until 30/04/2025.

Kindly note that the situation in the Red Sea and Suez Canal is still volatile and has an ongoing impact on several trading lanes and worldwide congestion in container ports.
